

Online Frauds

Websites will very often ask for information when it is not necessary. Always check which fields are mandatory and why any additional information is necessary.

Do look out for: Unsolicited emails, especially from unknown senders containing:

- Links to external websites
- Attachments
- Disclosure requests such as asking for login details

Do not: Click on links or attachments
 Enter your login details into any website linked from the email

A member of staff will never ask you to email or text sensitive information such as passcodes.

If you notice anything unusual about your Online Banking, please report it to your Relationship Manager immediately.

We strongly recommend that you regularly update your computer's anti-virus and firewall software.
